

Procurement Notice: Invitation to Quote for Accommodation Services in Baghdad

Reference No: PT2024-05

Date of Issue: October 8, 2024

Closing Date: October 31, 2024

Binda Consulting International Ltd (BCI) invites qualified vendors to submit quotations for the provision of accommodation services in Baghdad for periodic staff travel to Iraq from 2024 to 2027. The accommodation must meet the following requirements:

Location & Security:

- Accommodation must be located **within the International (Green) Zone** of Baghdad.
- The facility must be **secure**, with 24-hour security services, ensuring the safety and protection of guests at all times.

Scope of Services:

- Full **room and board** services, including:
 - Private, fully furnished rooms with en-suite bathroom facilities.
 - Three meals per day (breakfast, lunch, dinner) with dietary accommodations as necessary.
 - Housekeeping services.
 - Wi-Fi and basic amenities (laundry services, bottled water, etc.).

Quotation Requirements:

- All quotes should be presented in **US dollars**.
- A **daily rate per night** for full room and board should be specified.
- Specify any additional services or charges that may apply.

Submission Details:

- Quotes should be submitted via email to info@bindaconsulting.org by October 31, 2024.
- Please include:

- Detailed breakdown of services offered.
- Experience in providing similar services.
- Terms and conditions of the booking process, including cancellation policies.
- Payment terms.

Important Notes:

- Only vendors with facilities located within the International (Green) Zone and capable of providing secure, high-quality accommodation will be considered.
- BCI reserves the right to reject any and all quotations, and the lowest quote may not necessarily be selected.

For any inquiries or clarification requests, please contact info@bindaconsulting.org

About BCI

Binda Consulting International (BCI) is a Malta-based, globally recognized consulting firm with a strong focus on political strategy, international development, and democratic institutions. We specialize in providing innovative solutions to complex political challenges, empowering organizations to navigate political landscapes, drive social change, and foster inclusive governance.
